

## ABOUT JOYREIGNS REALTORS

Joyreigns realtors is a full-service real estate company in Ghana that offers the most robust suite of tools for buyers, sellers, landlords, renters, agents, and other home professionals.

Our land properties are fully registered without any present or imminent litigation issues. We have also provided 24-hour security on our land properties to ensure your land is intact and secured. Again, our real estate properties are also situated in a prestige location. We have over 2,000 plots available for sale large enough to support any enterprise you may want to venture into with an attractive payment terms.

However, any client that wants to do business with us will have to pick up a one-time registration form which cost one hundred Ghana cedis (GHS 100.00). This includes picking up the individual from a place of convenience to the site and back.

Below are our promotional land prices for Berry Court.
